This stunning plot offers so much to any would be investor. Wonderfully situated in Bainsvlei.

This very well kept 4.42Ha plot offers a 4 bedroom house on the plot with very minor things that need fixing. A large warehouse/ storage facility is perhaps one of the main selling points of this gem of a property. The Storage/warehouse is great ready condition with only small and minor things that could use upgrading. It also has a small wooden 2 bedroom flat on the plot for extra income or for one's own usage. A working borehole and Jojo tanks are also essential parts of this excellent investment. Another feature this plot has to offer is a staff quarters in very well-kept condition and a small number of staff members could even utilize it as a home on the plot.
