This almost 19 HA Farm has so much potential and waiting for the right person to bring life to it. Situated right next to the R40 and about 15 minutes' drive from Barberton and 25 minutes' drive to Westend Shopping Centre Nelspruit.

Maybe you want to farm with Macadamias, Citrus, or livestock? Maybe you want to give new life to the historical looking shop on the property and supply all farmers and workers in the area with daily necessities and groceries? Or you want to open some sort of a depo beneficial to the surrounding farmers?
